

**Claims**

1. A process for delivering a fabric treatment agent to  
5 a fabric comprising:
- (a) releasably attaching a rigid support to a part  
of a flexible substrate onto which is releasably  
fixed a fabric treatment agent;
  - 10 (b) placing the rigid support/flexible substrate;
  - (c) a fabric inside a fabric treatment machine; and
  - (d) operating the fabric treatment machine;
- characterised in that the rigid support is a frame  
15 and is smaller than at least the width or length or  
depth of the flexible substrate.
2. A process as claimed in claim 1 wherein the fabric  
treatment machine is a tumble dryer or a washing  
20 machine.
3. A process as claimed in claim 1 or 2 wherein the  
fabric treatment machine is operated so that the  
temperature of the water in the washing machine is  
25 greater than or equal to 40°C.
4. A process as claimed in any one of the preceding  
claims wherein the rigid frame support is smaller  
than both the width and the length of the flexible  
30 substrate.

**BEST AVAILABLE COPY****AMENDED SHEET**

5. A process as claimed in any of the preceding claims wherein the frame is an endless frame.
6. A process as claimed in any one of the preceding claims wherein the flexible substrate comprises a fibrous material.

5

**BEST AVAILABLE COPY****AMENDED SHEET**

7. A process as claimed in any one of the preceding claims wherein the flexible substrate is in the form of a sheet.
- 5 8. A process as claimed in any one of the preceding claims wherein the fabric treatment agent comprises a fabric softening agent and/or a fabric cleaning agent.
- 10 9. A process as claimed in any one of the preceding claims wherein the fabric treatment agent is releasable from the flexible substrate by heating the substrate and/or by agitating the substrate.
- 15 10. A device comprising a flexible substrate containing a releasably fixed fabric treatment agent and releasably attached to the flexible substrate a rigid support.
- 20 11. A kit for delivering a fabric treatment agent to a fabric comprising a device as defined in any claim from 1 to 10.
- 25 12. Use of a device as defined in any claim from 1 to 10, for the delivery of the fabric treatment agent to a fabric.
